

Bikesafe Day

9th August 2008

A number of members joined together to spend the day either chasing or being chased by Police motorcyclists! (3 from Essex Region; 3 from Wessex Region; 1 from Chiltern Region and 2 from Kent Region).

[Bikesafe](#) is a national scheme that allows riders to receive an assessment of their riding skills by trained, experienced Police Motorcyclists.

Our chosen location was the Metropolitan Police Sports & Social Club, The Warren, Bromley, Kent.

The day's survivors (shame one bike needed a lift home, but then the rain didn't stop all day!)
